RE: Cartwright Creek, LLC - Petition Amend CCN / Intervene in TWA Petition
TRA Docket No. 04-00358

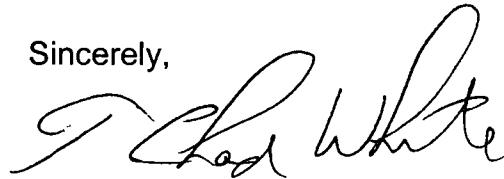

Dear Sir/Madam:

Pursuant to recent communications with representatives of the TRA, it has been requested that in order to facilitate the review of matters contained in Cartwright Creek, LLC's joint Petition bearing Docket No. 04-00358 and decrease any possibility of confusion, the Intervention portion of the aforementioned Petition be withdrawn from said Petition and resubmitted separately.

As such, by way of this correspondence, Cartwright Creek, LLC hereby petitions to withdraw from its joint Petition bearing Docket No. 04-00358 the *Petition to Intervene in Tennessee Wastewater Systems, Inc.'s Petition to Amend Certificate of Convenience and Necessity* so that this Petition may be filed separately. The portions of Petition 04-00358 that are to be withdrawn are the sections of the Style and Caption related to Intervention, paragraphs one through three on page two, and the reference in the Conclusion concerning the Intervention.

Consistent with the TRA's rules this original correspondence and thirteen copies have been presented for filing. Thank you.

Sincerely,

T. Chad White
